Dear ILGM member

Hotel Express International takes great pleasure in offering our services to ILGM. I can confirm that ILGM members will receive a **10% discount** on annual membership fees.

Hotel Express International (HEI) is an international hotel discount program and since inception we have provided around 3.5 million travellers with discounts of up to 50% at more than 100 000 hotels in 135 countries.

Membership is inclusive rather than exclusive and we have suitable packages for all types of travellers from the holiday maker to the corporate traveller.

Our clients include the private sector as well as public sector – In fact the Institute of Municipal Finance Officers (IMFO) have endorsed our programme and recommended to their members.

Our portfolio includes select hotels from major chains such as Sun International, Peermont Global, Hyatt, Westin, Hilton, Radisson, Three Cities and many more.

Please see Hotel Express brief in order to access available membership options. Please go to > www.hotelexpress.co.za for a benefit grid as well as a complete updated listing of participating hotels and self-catering resorts, hotel member rates and car hire/direct transfer rates in SA.

Membership fees include a free booking service (we do the bookings on your behalf) so that means that no commission is charged on bookings guaranteeing the best possible rates.

ILGM Members may contact Chris Hoffmann 072 8922365 or Chad Pillay 074 6017940 for further information

Sincerely

Chris Hoffmann
