**25 - 26 MARCH 2010**

The iLGM National Executive Council invites all the top leading women in local government and as well as woman leaders in the private sector to the iLGM Women's Conference and Business Exhibition. This highly interactive conference will feature in depth panel discussions, carefully selected papers, a trade exhibition and excellent social networking opportunities. Meet and interact with our expert panel of speakers and gain insight into their plans and wisdom. The conference is a leadership event which will help you maximise your effectiveness as a woman leader in your municipality. This is a great opportunity to share and hear about women's experiences.
